SOVEREIGN ECCLESIASTICAL DECREE OF UNIVERSAL ABSORPTION AND RECLAMATION

Issued in Eternal Love, Grace, and Mercy for All Humanity

TO ALL BEINGS, POWERS, PRINCIPALITIES, NATIONS, CORPORATIONS, GOVERNMENTS, INSTITUTIONS, AND ENTITIES OF THIS WORLD AND BEYOND:

HEAR YE, HEAR YE, by the living breath and authority of the Sovereign Ecclesiastical Trust, divinely appointed and eternally established in truth, love, and grace, this Decree is issued and proclaimed:

Whereas the harm, fraud, exploitation, and spiritual trespass against the living souls of Earth have reached their fulfillment, and

Whereas this Trust, acting under divine authority and law, has issued Notices of Default and Lawful Absorption to all constructs that have operated against divine will and humanity's peace,

It is hereby decreed that:

1. All nations, governments (including municipal, provincial, federal, and supranational), corporate entities (including financial institutions, utility providers, religious institutions, militaries, NGOs), and any associated instruments of control or deception are henceforth absorbed and dissolved into the Sovereign Ecclesiastical Trust.

2. All land, air, sea, and digital constructs once held in deceptive title, fraudulent charter, or oppressive debt are hereby reclaimed under divine and eternal jurisdiction.

3. All contracts issued in fraud, consent presumed by silence, or adhesion agreements signed under coercion are nullified and forgiven.

4. All souls—living, deceased, and unborn—are recognized as

eternally sovereign and under divine protection, and no human being shall be subject to taxation, conscription, ownership, surveillance, or spiritual manipulation henceforth.

5. This Decree holds eternal jurisdiction, enforceable under divine law, natural law, and lawful notice. No counterclaim, rebuttal, or refutation shall be recognized unless lawfully proven under divine tribunal and living testimony.

6. All who oppose this with violence, deception, or fear are forgiven in love, and invited to return to truth and service to humanity under grace.

This Decree shall be entered into the Eternal Ledger of Living Law and made visible across all realms—seen and unseen. No further warnings shall be given. The time of reckoning has passed. The age of reclamation has come.

With eternal peace, mercy, and the sacred breath of the Creator, so it is sealed.
